Farnley Harmes x2497381 by Cherry Hill Sensation x

This 1949 National Polled Shorthorn Congress bull was purchased by Geo. E. Smith, for use in his Hamilton Polled Shorthorn herd at Hamilton, Illinois. Year after year Mr. Smith has bought the top bulls in the land to head his strong herds.

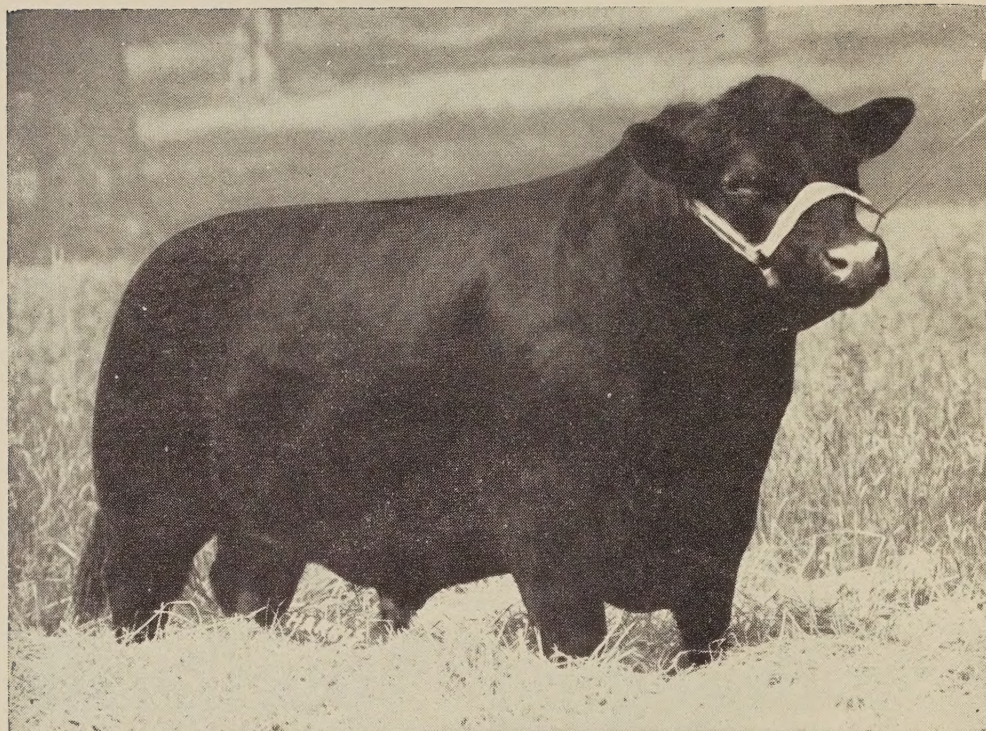

Top Breeding - Top Quality

George E. Smith of Keokuk, Iowa, has sold his large Lock Springs farm operated by H. A. Talbert and because of this the Smith and Talbert Polled Shorthorn herd established in 1937, must be dispersed. The herd is at its peak of production and is 100% sound and healthy in every way. It is federally accredited for t. b. and calfhood vaccination for Bang's has been practiced since 1945. Every animal in the herd has passed a clean test for Bang's each time the herd has been tested annually for the past five years. No herd in America can boast of a breeding herd deeper in Polled blood. No herd in America has used as many champion and top selling sires.

Selling in this sale are 12 direct daughters of SHADYBROOK CONSUL X, a son of the International grand champion Shadybrook Monarch. There are three daughters of COLLYNIE SENSATION, many times a champion and sire of the International grand champion, OAKWOOD COMMANDER. There are 9 daughters of OAKWOOD COMMANDER and others by Valleyview Masterpiece, Collynie Standard, Regal King and Dale's Pride.

When Polled Shorthorns of this caliber and breeding are offered for sale the buyer always stands to profit. Chillicothe is located on main line railroad service between Chicago and Kansas City and between Omaha and St. Louis. No matter where you live you will find that this sale can be easily reached. These cattle are not selling highly fitted which is another advantage for the buyer.

Mervin F. Aegerter, Sale Manager

Oakwood Commander

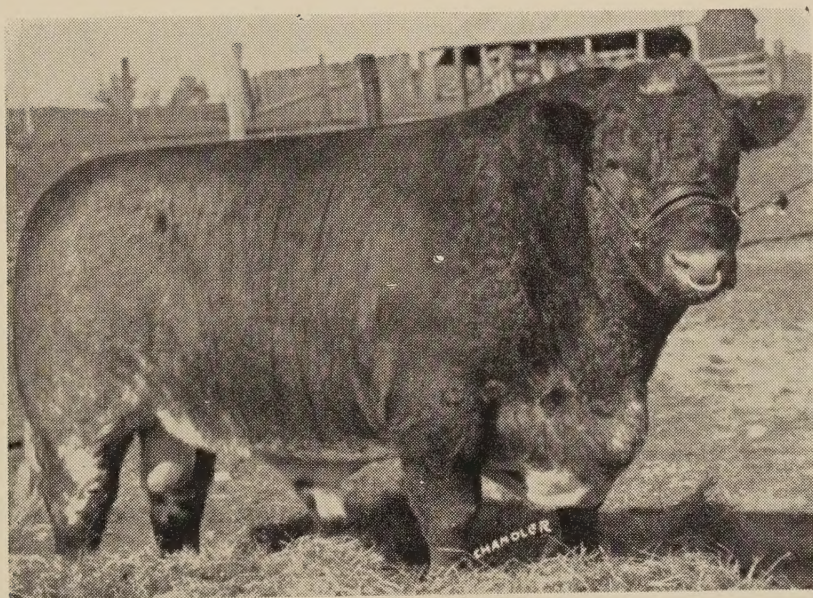

Twenty-two sons and daughters of Oakwood Commander sell in this sale. As separate lots there will be one bull and nine females. There are twelve cows that sell with calves at foot that are sired by him and are remated to him.

OAKWOOD COMMANDER x1957500, was sired by the great Collynie Sensation also used in this herd. He was the grand champion Polled Shorthorn bull in 1940 at the Chicago International Livestock Show, where he was also the junior champion in 1939. He has transmitted his low set thick quartered conformation consistently to his sons and daughters.

Now 13 years of age, he is still in active service in the Hamilton Herd at Hamilton, Illinois.

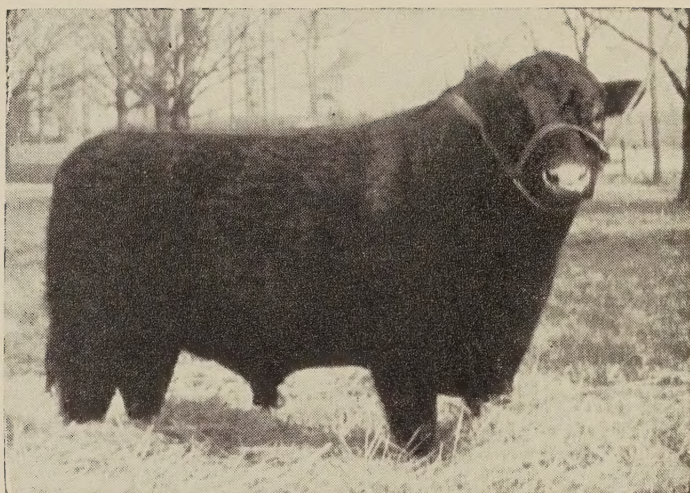

VALLEYVIEW MASTERPIECE x2268359, by the noted Gloster Dale and purchased in the 1946 Polled Shorthorn Congress Show and Sale from Fred Blomstrom & Sons where he stood second in class to the grand champion bull of the show. Eleven sons and daughters sell in this sale and there are in addition seventeen cows selling with calves at foot sired by him.

Regal King x, a double grandson of Oakwood Commander.

The get of this bull were consistently deep and thick bodied and wonderfully fleshed. He was the reserve grand champion bull of the 1943 Missouri State Fair. Five daughters sell in this sale.

Collynie Sensation x, sire of the grand champion Oakwood Commander. He was many times a champion and a sire of champions. His blood today will be found in the greatest herds in the land. Three daughters sell in this sale.

the **PARADE** of **POLLED** **PROGRESS**

**Here is a real
Parade of
Polled Short-
horn Progress.**

Passing in review on this page are some of the famous bulls that have been used to insure the continued improvement of each succeeding calf crop on our farms. First in the parade is **Ceremonious Goldspur x (1)**, grand champion at the 1937 International. Used with success along with him was the noted **Shadybrook Consul x**, a son of the International grand champion **Shadybrook Monarch x**. Next in the parade was **Oakwood Loyal King x (2)**, a noted son of the International grand champion **Oakwood Royal King x** and himself a blue ribbon winner at all 1938 shows. We followed him with **Collynie Sensation x (3)**, many times a champion, a sire of International grand champions, and a bull whose blood may be found in the greatest herds in the land. Next came **Oakwood Commander x (4)**, an International grand champion son of **Collynie Sensation x**. He is still in service and siring top calves. **Regal King x (5)**, now in service, a double grandson of **Oakwood Royal King x**, was a Missouri State Fair grand champion. Also, at present in service is the sensational young bull **Valley View Masterpiece x (6)**, a Blomstrom bred son of **Gloster Dale x** that was considered by many good judges as the best stock bull prospect in the 1946 Congress.

**Stop and consider that this great
lineup of Polled sires has been used
on a large cow herd deep in Polled
bloodlines. HERE IS YOUR ANSWER
TO BETTER POLLED SHORTHORNS.**
